### Cancellation

The domain names specified are still at least registered for 60 days and should be deleted

at the end of the current registration period. (This occurs 1-2 weeks before the end of the registration period.)

as fast as possible.

### Signature

As the domain owner I renounce all rights to the domain names specified above. Furthermore I will remove possibly existing nameserver entries for these domains. In the course of the cancellation of the domain names I lose all rights to use in accordance with the guidelines of the respective registry. After successful cancellation the domain names are free to be registered again.

If further forms should be needed for the cancellation of the domain names, I will sign these and will send them back to **123domain®** within the prescribed period, otherwise I will cover for the costs of an extension of the domain names. I have seen and accepted possible costs of the cancellations as well as the terms and conditions of **123domain®** – ingenit GmbH & Co. KG ([www.123domain.eu](http://www.123domain.eu) and/or [www.123domain.eu/contact/agb-lang-en.html](http://www.123domain.eu/contact/agb-lang-en.html)).

I am aware of the fact that there will be no refunding of registration fees and that possibly outstanding debits remain open in spite of a cancellation.
